

I am writing concerning K-LOVE radio and the proposed expansion of LPFM stations that would take priority over current FM translator services. I understand that if this expansion happens, I and my community would no longer be able to hear K-LOVE on our radios. This is extremely distressing as this is the only quality family radio I know of, and I am daily encouraged by their clean and wholesome music. I am sure that not only I, but the entire community would be greatly distressed to not have K-LOVE around any more, as nothing else on the radio compares to the service K-LOVE provides us. K-LOVE is always up-lifting and positive, I am never concerned about what young ears may hear when I have K-LOVE on, and I'm also confident that what my own ears are hearing isn't slowly corrupting my own values or moral judgement. Not only that, K-LOVE even teaches profound life-lessons throughout the day, giving people hope, encouragement and guidance . . . not to mention the 24hrs availability of staff pastors to help counsel and pray with anyone in need. I believe K-LOVE provides a vital community service that would leave a huge, bleak hole should they be unable to continue broadcasting as they have in the past. Please, do not give LPFM priority over FM translator service if this means K-LOVE will no longer be a resource for our communities.
